Let's Laugh

The sales manager of a dog food company asked his sales team how they liked the company's new advertising campaign. "Great, the best in the business," they replied. "How do you like our new label and the package?" "Great, the best in the business," they replied. "How do you like our sales force?" They *were* the sales force so they had to admit they were good. "OK then," said the manager. "So we've got the best label, the best package, the best advertising programme being sold by the best sales team in the business. Tell me why are we in 17th place in the dog food business?" There was silence... Finally someone said, "It's those lousy dogs. They won't eat the stuff!"
