

The Friend's of St. Mary's Fowlmere
Safari Supper

Saturday 19 October 2019

If you enjoy a fun night out with the opportunity to meet lots of people, this is the event for you.

The format of the evening is for everyone to meet at the host's house for a drink and instructions on where they are going during the evening. Everyone then leaves and travels around the village, having each course at a different house with different people. Participants are asked to host one course for 6-8 people, including themselves. We all meet up for drinks at the end of the evening.

Previous dinners have always been very enjoyable. For those who live outside Fowlmere, there will be a few non-hosting places available. The cost is £12.50 per person (£25.00 per person for non-hosts). Monies raised will go towards the maintenance, restoration and conservation of St. Mary's Church.

If you would like to participate, please complete the form below and return it to Yvette Biggs, Hideaway, Lynch Lane, Fowlmere or Lisa Turner with your payment (cheques payable to The Friends of St Mary's Fowlmere), **by Friday 27 September**. Hosts will then be notified by Friday 11 October what course you are requested to provide, the number of guests and of any diet requirements.

If you would like further information please contact Yvette Biggs on 01763 208900 or email Yvette.biggs@btinternet.com.

----- ✂ -----

I/We would like to attend The Friend's of St. Mary's Safari Supper on Saturday 19 October.
